

Thanks for your interest in participating in our online store! The Augusta Art Guild is very excited to present this opportunity and hope that it will help generate interest and sales of your art. As this is a new venture for us, we may have a few kinks to work out so we appreciate your patience along the way. There are few items of note to mention:

- * All AAG members may participate although we ask that you initially limit the number of pieces you submit to no more than 15. *If you'd like to join the Guild, you can download at application from our website www.AugustaArtGuild.com.*
- * All art must be photographed in the highest resolution possible and sent electronically. As this may result in files too big to send via email, you can use a free service like www.WeTransfer.com to submit the photos. You should email them directly to the show's curator and AAG VP, Leah Frederick at leah@leahfrederick.com. *If you do not have the capacity to photograph work and/or send electronically, please reach out to Leah to schedule an appointment for them to be photographed at the Gallery (Please do NOT drop off art without contacting Leah in advance).*
- * Shipping/delivery of all art will be the sole responsibility of the Artist. **If shipping, you must decide whether you'd like to charge a flat fee or calculate the cost of shipping based on the destination zip.** Most artists opt for the USPS flat box rate or include the cost of shipping in their price.
- * If the art is sold elsewhere (i.e. the Artist's Etsy store), it is the responsibility of the Artist to notify the VP within 24 hours so the product may be removed from the AAG website ASAP. *Since payment will be processed on AAG's website immediately, it is vital that we do not disappoint customers.*
